BASE

Modified total direct costs, consisting of all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel and up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). Modified total direct costs shall exclude equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000.

SECTION II: SPECIAL REMARKS

Treatment of Fringe Benefits:

The fringe benefits are specifically identified to each employee and are charged individually as direct costs. The directly claimed fringe benefits include FICA, Disability Insurance, Life Insurance, Health Insurance, Retirement, Worker's Compensation, Unemployment Insurance, and Leave Pay Reserve.

Treatment of Paid Absences:

Vacation, holiday, sick leave pay and other paid absences are included in salaries and wages and are claimed on grants, contracts and other agreements as part of the normal cost for salaries and wages. Separate claims are not made for the cost of these paid absences.

Equipment Definition:

Equipment means an article of nonexpendable, tangible personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit.

Clinical Trials Definition:

Clinical trials are studies of the effectiveness and safety of drugs, devices or procedures for the treatment of health problems in humans. Clinical trials are categorized as the following: Sponsor Initiated—the protocol for the clinical trial has been written by the sponsor (a pharmaceutical or medical device company); PI Initiated—the protocol was written by an investigator.
